Benefits of a Training School

As a Training School, we offer a menu of activities/training, run both at school and as outreach opportunities. These are offered to all primary, secondary and special schools both within the local authority and beyond.

We are also keen to support the development of the wider children's workforce, through offering training and other forms of support to organisations and agencies that will have a positive outcome for young people and their parents/carers.

Besides the planned menu of activities, we are also keen for other schools, agencies and organisations, to contact us to request any training needs they may have identified.

CPD Bitesize Workshops

Mainly aimed at WHS staff, but open to all from other schools.
For teaching staff and others involved in supporting teaching.

| Target Audience | Date | Time |
