	I/we support the proposals
--	----------------------------

If you wish, please tell us why you feel Trust status is a good idea:

--

	I/we don't think the school should become a Trust school
--	--

Please tell us why you do not think Trust Status would benefit the school:	
--	--

## 2. About partners

How do you feel about Woodchurch High School working with:

- a. Chester Dioceses, Church of England
- b. Local University
- c. Maestro Service Setpoint

	These could be the right partners
--	-----------------------------------

If you wish, please tell us why you feel these are the right partners:	
--	--

	I'm/we're concerned about the school working with: (please state the name/s of the organisation/s)
--	---

Please tell us your concerns:	
-------------------------------	--

Our partners would share our commitment to the school's motto "Striving for Excellence". The Trust would appoint governors who will support the school to maintain this vision.

How do you feel about the vision for the Trust?

	This is right for the school
--	------------------------------

If you wish, please tell us why you support our vision:
---

	I/we don't think this vision is appropriate for the school
--	--

Please tell us your concerns/why you feel the vision is not appropriate:
--

	I would like to see the following included in the school's vision for the Trust
--	---

Please tell us the priorities that you feel should be addressed in our vision for the Trust:
--

**3. Appointments to the Governing Body**

The proposed partners have agreed they would be happy to appoint minority of Governors. Are you happy with this?

**a) If the Trust were to appoint the minority of governors**

This would bring in expertise from our partners, no group would have overall control and one third of the governors would remain elected parents. Do you think this model is right for the school?

	Yes – this sounds like a good idea
--	------------------------------------

No I would prefer ...
-----------------------

**4. General**

Do you have any other concerns or suggestions that we should think about before the Governing Body meets to determine their decisions?
